

Mission Statement

The mission of the Reach out and Engage Next-gen Electrical Workers (RENEW) initiative is to inspire the next generation of IBEW workers to become active in their local union by focusing on issues important to younger workers, providing education about the IBEW and the labor movement, and fostering relationships with members and local union leadership.

Are you in the IBEW and under the age of 35? We are looking for members who don't want to just warm a seat, but aspire to be a generation who makes history! Come and educate yourself on how to light the way in your local!

We have monthly meetings every fourth Thursday of the month.

April 28th | May 26th | June 23rd
